Dear Friend,

Options for Her Corporate Sponsorship packages offer an **incredible opportunity for your organization to partner with Options for Her, impacting lives in the South Jersey area and neighboring communities each year while providing opportunities for your organization's name to be seen by thousands of people throughout 2024!** The benefits and impact of each corporate sponsorship level are included within this packet.

**Corporate Sponsor Levels**

**\$10,000** Annual Life Partner Sponsor

**\$5,000** Champion of Life Sponsor

**\$2,500** Advocate of Life Sponsor

**\$1,000** Supporter of Life Sponsor

**Options for Her serves thousands of women and families through our three office locations in Cherry Hill, Trenton, and Ocean City.** These services include free pregnancy testing, ultrasounds, and compassionate counseling support to those facing an unexpected pregnancy; classes and programs specifically designed for our clients and their unique needs; material resources such as diapers, clothing, formula, and other newborn and postpartum essentials for those in need; and ongoing relationship and availability to families who have welcomed us into their lives. We also deploy our mobile medical unit "Hope" to offer clients our no-cost pregnancy services on the road, meeting them exactly where they are at. We are excited to be welcoming a *second* mobile medical very soon, allowing us to reach even more communities, women, and families. Our hope is to clearly reflect the love of Christ to every woman, man, and family we meet, displaying His care for every life that is created in His image!

We have also included a 2024 Life Walk pledge form that serves as an example of how your logo will be used and displayed in future advertising and professionally branded materials. Our Life Walk on June 15, 2024 and our Annual Gala on October 18, 2024 are key events that highlight our Corporate Sponsors to the community and celebrate the work we would not be able to do without their partnership.

**As you review your advertising budgets, we hope that you will consider being a Corporate Sponsor for Options for Her.** If you have any questions or would like more information about Options for Her, [please contact me directly at dbiskey@optionsforher.org](mailto:dbiskey@optionsforher.org) or 856-795-0166. Thank you for your consideration in partnering with Options for Her!

Sincerely,

Deborah Biskey  
CEO

P.S. We encourage you to email, call, or send in the enclosed card to confirm your sponsorship. We will need your logo by **May 20<sup>th</sup>** in a PNG (preferred) or JPEG format in order to make the printing deadline for our Life Walk materials

# A QUICK NOTE FROM

## Options For Her CEO

### Debbie Biskey

When you become a Corporate Sponsor with Options For Her, it becomes evident that we want to turn our culture toward life. We do this by being the hands and feet of Jesus and meeting women where they're at. We also come together for annual events like our Options Life Walk and Night of Hope Gala. We desire to see preborn lives saved, care for mothers, fathers and babies throughout pregnancy, and offer continued support beyond pregnancy.

We believe that by pouring into the lives of women and families who are facing unplanned pregnancies, we can break the cycles of poverty to not only save lives, but also to give hope for the future through empowering them to make life-affirming choices!

So **THANK YOU!** We know and believe that it takes a village to stand for life and offer these women and families a choice. We are beyond blessed with every business that partners with us to be an instrumental part of this village!

See you at this year's events!
